

We are pleased to confirm that

M/s. NAM HENG SAFETY GLASS, Negeri Sembilan

has successfully passed the Saint-Gobain inspection on heat treatment and laminated processes. The firm is now qualified for the processing of SGG EVO (ET) Series.

In performing this certification, Saint-Gobain Glass does not assume or undertake to discharge any responsibility of the inspected company. The processor company is solely responsible for the processing of its products in conformity with applicable laws, regulations, norms and the guidelines for use of coated glass of Saint-Gobain.
